

# Human Capability Research Open Day

Wednesday 2 December 2009

## Defence Technology & Innovation Centre

DCC , Defence Academy, Shrivenham

science | innovation | technology

### HUMAN CAPABILITY IN THE FUTURE

*Human Capability is fundamental to all defence and security activities.*

*This event, with keynote speakers and an exhibition of research, offers the best opportunity to gain an awareness of current Human Capability research in the MoD.*

- Engage with other Human Capability research stakeholders.
- Examine the latest research successes and highlights.
- Identify and develop exploitation opportunities.

There will be presentations from selected areas of the Human Sciences Domain including;

- An update of the New Defence Technology Plan
- Understanding & Influencing Human Behaviour
- Tri Service Training

#### How to Register

The event is for MoD/DSTL/Industry/Military and Civilian Staff.

Places are strictly limited, so please register by e-mail as soon as possible with Miss Sam Hunt.
